- 6.1 SCHEDULE CHANGES – **There are changes to the Project Schedule.** The revised project schedule will reflect changes to the Interview date per this addendum. The Interview date has been scheduled for **Thursday, October 25, 2007**. On Monday, September 10, 2007, a revised project schedule will be posted on the DFCM website (<http://www.dfcm.utah.gov>), and faxed out to all participants.
- 6.2 GENERAL
The Attorney General's Office has reviewed addenda item 1.2 that allowed for the direct award of the design contract to the selected programming firm. They have determined that the advertisement for this project will not allow for that approach. Therefore, it has been determined to continue with the originally solicited SFC for programming services only for this project.
- 6.3 The five participants that attended the mandatory meeting based on the original solicitation, and submitted qualifications are invited to proceed with the interview portion of the selection process. Each firm will be considered for programming service in this selection.

- 6.4 In the event that a firm wishes to edit their management plan and/or statement of qualifications to more accurately reflect this decision, please contact Dana Edwards at (801) 538-3412 to retrieve the previously submitted information. **New management plans and statements of qualification or amendments to previously submitted information will be accepted until 4:00 P.M, October 17, 2007.**
- 6.5 An interview invitation letter will be sent out separately to each firm that identifies the time and location of the interview. **Interviews will be conducted on Thursday, October 25, 2007.**
- 6.6 The selected programming firm **will be** eligible for the design selection process.
